

WATER QUALITY AWARENESS COMPETITION

for All Students of Jyothi Engineering College

*Organized by Centre for Water Research and Education (CWRE) and
Indian Society for Technical Education (ISTE)*

Jyothi
Engineering College

The Centre for Water Research and Education (CWRE), in collaboration with the Indian Society for Technical Education (ISTE) Student Chapter, is organizing a water quality awareness competition for all students of Jyothi Engineering College.

Contaminated water and poor sanitation are linked to the transmission of diseases such as cholera, diarrhea, dysentery, hepatitis A, typhoid, and polio. Inadequate or improperly managed water and sanitation services expose individuals to preventable health risks. According to UN estimates, unsafe drinking water, sanitation, and hygiene are responsible for approximately 3.5 million deaths worldwide each year.

Water quality is a matter of vital importance for everyone, and raising awareness among people is of utmost significance. The CWRE at Jyothi Engineering College, operating under the Civil Engineering Department, actively engages in initiatives to address water-related issues and promote remediation strategies.

In pursuit of this objective, CWRE, in association with ISTE, is conducting a water quality awareness competition for all students of Jyothi Engineering College.

Features of the Competition:

- 1. Separate competitions will be held for S8 Civil students and all other students.*
- 2. Attractive cash prizes for winners and participation certificates for all. First Prize: ₹4,000, Second Prize: ₹3,000, Third Prize: ₹2,000 (Prizes will be awarded in both groups.).*
- 3. The competition will consist of 100 multiple-choice questions (MCQs) with special "star questions" to resolve tie-breakers. No negative marking will be applied.*
- 4. 50% of the questions will be repeated from previous years' question papers.*
- 5. Registration fee: ₹50 per participant.*
- 6. Tentative date and time: February 12, 2025, from 1:15 PM to 2:00 PM.*
- 7. For study materials and additional details, visit cwre.jecc.ac.in or access the link through the Jyothi Engineering College website.*
- 8. Last date for registration: February 5, 2025. Participants must register through the faculty assigned to their respective departments.*
- 9. Students are eligible for Activity Points(KTU 10).*
